

Alignment with Kent Tigers

Dear Member,

We have been operating as PWRR East Kent Branch since 2003 and are proud to maintain our connections with the PWRR and our membership of the PWRR Association.

The PWRR Association has a policy of having PWRR closed groups on Facebook. As you are already aware many of our members are PWRR and in our facebook groups. Kent Tigers has been launched by the PWRR Association and it is important that we help support the growing membership.

We will continue to have our "Pop Lunches" and Albuhera Lunch which proved so popular before the Covid 19 Lockdown. Our Fundraising will continue towards the regimental benevolent fund. Funds raised at the recent Pegasus Bridge talk in March, we have donated £500.

The proposal to change the name to Kent Tigers East Kent Branch is approved by the County Colonel and the Chairman of our PWRR Association.

The added benefit of adopting this name is that we are hoping to reach out to younger ex members of 3 PWRR through face book which will help with the longevity of the Branch.

All members are free to decide what they wish to do and to that end views can be sent to the Chairman or John Bennett by the 05 August 2020.

Yours sincerely

John Redfern

Chairman
